

# Be a **champion** of our school

*join the ambassadors*

The Ambassadors are a great way to be of service to the SOJNM and also provide excellent networking opportunities not just with our own faculty but also with any guests the school may host.

## you'll get to:

- ✓ Advocate for IMC and Journalism to prospective students at university visit days and give tours
- ✓ Plan and participate in special events such as commencement, conferences, and ceremonies
- ✓ Assist special guests with anything they need while visiting our campus.

## how to apply:

The application is two parts. There's a brief questionnaire section AND you must submit either of the following:

Film a 1-3 minute video on a topic of your choosing. You could showcase your design or video editing skills, take us on a tour of your favorite place, give us an elevator pitch selling yourself, or any other idea you feel best showcases your personality and skillset.

*or*

Make a presentation about yourself. We'd like to know more about your skills, passions, reasons you'd like to be an ambassador, and some ideas you have that our organization could do to boost involvement in the school. Get creative or keep it simple, you choose!

Applications due by  
end of day **Sept 10!**
